PAY TELEPHONE ACCESS LINES

A. SERVICE AVAILABILITY

Pay Telephone Access Lines are available in Service Area A except in the Lebanon Exchange.

Pay Telephone Access Lines are not available in Service Area B.

B. GENERAL

Pay telephone access lines are provided to payphone providers for use with customer-provided coin operated telephone equipment (payphone instruments that accept coins), customer-provided coinless telephone equipment, and inmate service telephone instruments that provide restricted calling service at penal institutions and other institutions of confinement.

The customer for pay telephone access lines is the payphone provider which is the individual or organization who subscribes to the pay telephone access line. Any party purchasing pay telephone access lines must be properly registered with the State of Ohio.

Pay telephone access lines are provisioned either for use with smart sets or dumb sets. The customer must specify to the Company which option it is choosing at the time of the placement of the initial order.

Telephone instruments and service enhancing facilities are furnished by the payphone provider.

Pay telephone access lines include the following features at no additional charge:

Billed Number Screening Service
Originating Line Number Screening Service
Touch Tone Capability

C. TERMS AND CONDITIONS

Failure to comply with this tariff or any related rule or order approved by this Commission or the FCC shall be grounds for disconnection. Pay telephone access lines may be denied or disconnected in accordance with Section 2, Part D.7. of this tariff. If service is temporarily denied, the customer must pay the nonresidence Restoral of Service Charge specified in Section 3, Part C.1.b.2. of this tariff for service to be restored.

The customer is responsible for the installation, operation and maintenance of customer-provided public telephones used in connection with pay telephone access lines.

Customer-provided public telephones and equipment must be either registered in compliance with Part 68 of the FCC's Rules and Regulations or connected to the network behind an FCC-registered coupler.

Pay telephone access lines cannot be included on accounts containing other classes of service. A separate account is required for this offering at each location.

The local calling area for pay telephone access lines in a given exchange is the local calling area specified in Section 3, Part B.2. of this tariff for that exchange

Customer-provided public telephone service instruments are not required to receive incoming calls.

The pay telephone access line customer will be charged for Directory Assistance (DA) calls made over the pay telephone access lines to which the customer subscribes. (See the Company's Nonresidence Service Agreement - Local Telephone Services for the rates, terms and conditions for these DA services.)

Pay telephone access lines do not include International Blocking Service (IBS). IBS is provided out of the Company's Access Service Tariff, PUCO No. 1.

Directory listings are not provided with pay telephone access lines.

The customer will be responsible for payment of a Maintenance of Service Charge as specified in the Company's Nonresidence Service Agreement - Local Telephone Services for visits by a Company employee to the service location when a service difficulty or trouble report results from customer-provided equipment or facilities.

Other service options normally provided are available at normal nonresidence charges where such services are technically feasible.
