

**Cincinnati Bell Telephone
Verification of Health/Safety Features for Lifeline**

Lifeline customers in Ohio must complete this form and return it to Cincinnati Bell Telephone to add features other than Call Waiting to their Lifeline telephone service. All information on this form should be for the account with Lifeline service.

Customer Name: _____

Customer Address: _____

Customer Telephone Number: _____

Customer Account Code: _____

Note: The Cincinnati Bell Telephone customer account code is the three digit number that is printed after your telephone number on your Cincinnati Bell Telephone bill.

Statement of Health or Safety Need for Additional Features with Lifeline Service

I certify that the features listed below are needed for health or safety reasons on the Lifeline account shown on this form. I am authorized to make changes to this account, and by signing this form I authorize Cincinnati Bell Telephone to remove all optional features that are not listed below (other than Call Waiting) from this account. (List all landline service features needed for health or safety reasons in the space below.)

Customer Signature: _____

Date: _____
