

## **Alternate Voice Messaging Telephone Number**

Thank you for choosing Cincinnati Bells Alternate Number service for your enhanced Voice Messaging service. Alternate Numbers allow your callers to reach your mailbox directly without ringing the telephone line at your home or business location. This means fewer interruptions for you and ensures the privacy of your mailbox. Your messages are still available for you to access from anywhere on the road, at work, or anyplace in between. Just dial your Voice Messaging access number and enter your mailbox information. \*

\* Your mailbox number and your mailbox password have been provided to you in your Voice Messaging user guide.

Share your Alternate Number with friends and business associates who may want to leave messages in your Voice Mailbox.

Your Alternate Number is provided to you at the time you place your order
