**Network Change Summary:**

Cincinnati Bell Telephone "(CBT)" is filing a revision to NCN No. 14-003 rescinding the Lucent 5E ORM switch decommissioning in the Fairfield, Ohio central office (FRFDOHFFDS0) and rescinding the elimination of the Fairfield, Ohio central office.

**Description of type of changes planned:**

Cincinnati Bell Telephone (CBT) will not be decommissioning the Lucent 5E ORM in the Fairfield wire center as previously planned. This ORM is a remote switch off of the North Greenhills host switch (GRHLOHNGDS0). The remote switch will not be retired and removed from the CBT network. Also, the central office building will not be removed from service as previously planned.

**Description of Reasonably Foreseeable Impact of the Planned Changes:**

Because the Lucent 5E ORM will not be decommissioned and the central office building will not be removed from service as previously planned, no services or facilities are impacted.
