A. TERMS AND CONDITIONS

Residence Local Service Bundles provide a flat rate residence line, as described in Section 4 of this Agreement, in combination with selected optional features. Customers may select any or all of the features in a bundle, where available. The Customer must specify which features to include in the bundle at the time the order is placed. These bundles provide unlimited use of the optional features that the Customer selects to include in the bundle. Features associated with an individual Residence Local Service Bundle are per line. Features cannot be split between lines, customers, or location.

Measured Service is not provided with the Residence Local Service Bundles.

The Local Service Areas for Residence Local Service Bundles are the same as the Local Service Areas defined in Section 4 of this Agreement.

Descriptions of the Custom Calling Services included in the Residence Local Service Bundles are shown in Section 5 of the Agreement. All rules, regulations and limitations specified in this Agreement for the specified optional features apply to Residence Local Service Bundles.

Features that are selected by a Customer to be included in the Residence Local Service Bundles are not eligible for any additional discounts or credits, including any discounts and/or credits provided in any separate package pricing for Custom Calling Services. Residence Local Service Bundle customers are not eligible for special promotions that may be applicable to the individual features included in a Residence Local Service Bundle unless the Residence Local Service Bundle is specifically noted for inclusion in the promotion.

A Customer subscribing to a Residence Local Service Bundle may change features within the bundle at anytime without incurring a charge for making such change once the Residence Local Service Bundle has been established.

All bundles that include long distance services require presubscription to Cincinnati Bell Any Distance Inc. (CBAD). For a description of CBAD's services, terms, and conditions, see CBAD's Kentucky Residence and Nonresidence Service Agreement - Long Distance Telephone Services and CBAD's interstate service agreement.
