One: the customer may apply for Lifeline on their own through the consumer portal at www.checklifeline.org. Eligibility *may* be determined immediately after applying online. If the National Verifier cannot prove eligibility the customer will need to upload more documents as proof of eligibility. Two: the customer may apply by sending their completed application and all supporting documentation via mail. Completed documentation can be sent to the Lifeline Support Center.

Three: the customer may bring their completed application and supporting documentation to an authorized retail location where a Cincinnati Bell Telephone representative can assist with National Verifier eligibility. B. LIFELINE RECOVERY SURCHARGE

1. General

Incumbent Local Exchange Carriers (ILECs), in accordance with Section 4927.13 (D) of the Revised Code, may recover from end users any Lifeline service discounts that are not recovered through state or federal funding or whose recovery is prohibited by law. In accordance with 4901:1-6-19 (P) O.A.C., ILECs may recover these discounts through a customer billing surcharge on retail customers, excluding those with Lifeline service.

The Company's Lifeline Recovery Surcharge is calculated to recover the difference between the Company's Lifeline prices and the Company's standard retail service prices, minus any portion of the price differences that are recovered through federal or state funding. The Company will update this calculation at least once per year in accordance with 4901:1-6-19 (R) O.A.C.

The Lifeline Recovery Surcharge is imposed on each residence, nonresidence, and payphone access line, other than Lifeline service. For purposes of application of this surcharge, access lines are defined as facilities, which provide access to and from the telecommunications network for toll service and for local calling. Not included in this definition are remote call forwarding and Cincinnati Bell official accounts.
